Treatment Menu

Rebuilding

The deep regenerative treatment, which gives substance and matter to damaged hair. Biomimetic vegetable proteins, which repair structural damage by reconstructing the molecular structure of keratin.

£25 (25mins)

Herbs & Clay

Stress, aggressive treatments and an intense daily life put the balance of your body to the test, and that includes your scalp and hair. 100% natural Amazonian pink clay and of Soap nuts, the aromatherapeutic power of the natural, biodynamic essential oil blends.

£10 (10mins)

Moisture Hair Mask

Dry hair appear arid, dull and break easily, nutritious, like Murumuru butter and Macadamia oil, organic Honey and biodynamic Hazelnut. A rich and precious blend which renders hair shiny and silky giving them an inebriating softness.

£5 (5mins)

Silk & Glow Mask

Frizzy and dull hair is, in fact, characterised by uplifted and irregular cuticles. When in this state, the hair surface does not reflect light and hair appears dull and opaque. A synergy of restructuring, nourishing and silkening active ingredients.

£5 (5mins)

Brazilian Treatment

This revolutionary formula infuses Keratin deep into the hair's cuticle, promoting intense hydration and remarkable shine. The powerful treatment that delivers fantastic results, making it a perfect match for even the frizziest, curliest type of hair. Reducing up to 95% of frizz and elimination drying time by 50%.

(Price based on consultation)

Innoluxe Treatment

INNOLuxe ReBond features Amino bond Complex, an advanced blend of exceptionally low weight proteins that rebuilds and strengthens hair, repairing and restoring to maximum effect during the colouring process.

Short hair £23 | Long hair £26

Elasticizer

Delivers a rush of moisture into the hairs cuticle to help reduce breakage and restore the hair's strength and stretchability, leading to less breakage and snapping.

£5 (5mins)
